Dear Ms. Dortch:

On September 13, 2011, Maggie Wilderotter, Chairman and CEO of Frontier Communications; Kathleen Q. Abernathy, Chief Legal Officer and Executive Vice President, Regulatory and Government Affairs, Frontier Communications; Dan McCarthy, Executive Vice President and Chief Executive Officer for Frontier Communications; met with Chairman Genachowski and with Zachary Katz, Chief Counsel and Senior Legal Advisor to Chairman Genachowski, to discuss the above-captioned proceedings.

Frontier emphasized its support for the America's Broadband Connectivity Plan ("ABC Plan") and Joint Framework filed in these dockets. Frontier used the attached presentation as a basis for discussion. Frontier noted that the ABC Plan features important transition periods and recovery mechanisms for intercarrier compensation reform. Frontier also discussed the amount of industry consensus around the ABC Plan, which features compromises from many different segments. Accordingly, Frontier urged the Commission to adopt the ABC Plan as soon as possible.

Please feel free to contact me with any further questions.

Sincerely,

/s/
